

Rheumatism Sufferers Give This A Trial

The Antidote of Uric Acid Found
Gives Remarkable Results

Immediate relief to rheumatism sufferers and an absolute, quick safe cure. This is now assured, for the antidote to uric acid has been found. This antidote, moreover, is as safe as the air you breathe, yet it destroys every particle of uric acid in the blood and in every tissue, joint, muscle and part of the body.

Cases of years standing have been cured with "Rheumatism Drops," also kidney trouble of years standing. Remember, it does not require more than two bottles to effect a cure, and as a rule one bottle is sufficient. Why use plasters and electric pads when they merely draw the pain from one place to another? Get a bottle of Rheumatism Drops and have the disease driven from your system.

Guaranteed by Wm. F. Kastner, under the food and drug act, June 30, 1906. Serial No. 33420. One bottle of Rheumatism Drops will be sent prepaid upon the receipt of \$1.00.
